Hiring

Web Frontend Developer & Designer

Part-time / Full-time

We are a team of five enthusiasts from Austria, focused on building the future of media mashups at <http://Weavly.com>. We are looking for a dedicated **Web Frontend Developer & Designer** who'd like to share the joys of startup life with us.

What we offer

- **Part-time or full-time job**, depending on your level of commitment. Freelancers are welcome as well.
- **Money**. We're funded and your work definitely will be paid.
- Joy of working with a dedicated team. Possibility to significantly influence the product and **bring in your own ideas**.

What we want

- Advanced **JavaScript, CSS and HTML** programming skills.
- Ability to design beautiful and innovative Web interfaces.
- A long lasting relationship with the Web Standards.
- High degree of **personal responsibility**, willingness to learn.
- Extensive experience with JavaScript frameworks.
- A cute kitten who's photos we can post on Facebook every day.

Nice to have

- Residence in **Vienna** or the willingness to travel there once every two months.
- Experience with GIT and Ruby on Rails.

Interested? We'd be happy to take a look at your application (English or German). Simply send your stuff to office@weavly.com and we'll get in touch as soon as possible!
